COVENANT	
<p>I commit to maintaining my faith through prayer, Bible Study and Christian Fellowship. Also I will spend time with God so I may know Him more and have Him living in me more. I commit myself to being an example of my faith and my role as a leader during S.A.L.T. Ministries at church, at youth events, at school, at work, at home and anywhere else I happen to be. I understand this also includes online and understand that my virtual life is a reflection of my real life. I will do this by refraining from all illegal activity, refraining from drugs, alcohol and tobacco, refraining from using profane or offensive language, refraining from a pre-marital sexual relationship and treating members of the opposite sex with respect, dressing appropriately wherever I am and by making careful selections with my choices for media and entertainment.</p> <p>I commit myself to being an example, as a shining light for Jesus and as a leader among my peers and student ministry, wherever I may be. I will especially do these at all S.A.L.T. events by respecting authority and other students, keeping a good attitude and by acting in a manner that represents Christ in all things.</p> <p>I commit myself to being a regular attendee at Senior High ministries and at Carmel Lutheran Church worship services. I will be present at one half of all events and will encourage others to attend.</p> <p>I commit myself to being honest with my youth director and other leaders, sharing if I am having problems with holding to these commitments or even sharing if there are other things weighing on my heart that I would like to discuss with them.</p>
