Saturday and Sunday school 2011-2012

This year, CLC is excited to offer the opportunity of worship, fellowship (meal) and education all on Saturday nights. As a part of this experience, there will be education classes for all ages (2 yr-adults). This includes 5th and 6th graders, too! If you plan on making Saturday night your worship time – bring your children along for the experience and education. Saturday night begins September 10th. Sunday mornings continues all year, 9:30 am education hour.
